Hey Mercedes.

You know the feeling? You meet someone new and it seems as if you have known that person forever. That is kind of what it is like with the new A-Class. You have only been travelling together for a few days and it knows your peculiarities, your whims, what you like the most and what not at all. The new A-Class and you suddenly become as one. So you can always be the way you are.

The interior of A 200 Progressive Line combines modern and sportiness with an even more generous sense of space. Starting with new widescreen display in 10.25 inch are fully digitised, air vents in a sporty turbine-look and 3-spokes multifunction sport steering wheel including Touch Control buttons to operate the display. Let your body settles in the snug ARTICO leather seat with memory function in front. It's completely redefined new standard in compact car.
